1194 Rulison Avenue  
Cincinnati, OH 45238

April 12, 2010

Dear Parents of 6<sup>th</sup> graders:

The Ohio State Law has recently changed the immunization requirements for students entering 7<sup>th</sup> grade. (Please see revised immunization schedule on back of this letter.)

A booster immunization of Tdap (Tetanus, Diphtheria and Pertussis) is required. This is a new vaccine for persons over age 11 to adult. If your student has received a Td (Tetanus/Diphtheria) booster since their initial Kindergarten series, this will also be acceptable.

Please contact your doctor as soon as possible to complete this requirement or call the Price Hill Clinic (357-2700) to get information about their free/low cost immunizations. When your child has had their booster, please have the doctor's office complete the bottom portion of this letter and return it to the school office. It may also be faxed to 471-4530.

Thank you for your attention to this matter prior to the new school year. Please call me at 471-4530 ext 119 (Mondays and Fridays) if you need more information.

Sincerely,

Katherine Delk-Calkins, RN/MS  
School Nurse
