Dear Bruin Family,

As with other schools in our region, St. Teresa of Avila is looking forward to the total solar eclipse that will take place on Monday, April 8, and the learning our students will derive from it. While the total eclipse will last only about 4 1/2 minutes, the sun will be partially eclipsed for more than an hour before and after. We also understand families may want to travel to different locations to witness this eclipse in full force. St. Teresa will be closed on Monday, April 8th. In addition to helping keep our students safe, it will allow them to better experience – and remember – this very special natural phenomenon.

As always, we appreciate your partnership as we continually work to keep our students safe. We hope the eclipse will be a safe and special memory for your family.

God Bless,

<https://www.youtube.com/watch?v=B6Xlnk4fR5I>

Querida familia Bruin,

Al igual que otros colegios de nuestra región, Santa Teresa de Ávila espera con impaciencia el eclipse total de sol que tendrá lugar el lunes 8 de abril y el aprendizaje que nuestros alumnos obtendrán de él. Aunque el eclipse total durará sólo unos 4 minutos y medio, el sol estará parcialmente eclipsado durante más de una hora antes y después. También entendemos que las familias quieran viajar a diferentes lugares para presenciar este eclipse en toda su fuerza. Santa Teresa permanecerá cerrada el lunes 8 de abril. Además de ayudar a mantener a nuestros estudiantes seguros, les permitirá experimentar mejor - y recordar - este fenómeno natural tan especial.

Como siempre, agradecemos su colaboración en nuestro esfuerzo continuo por mantener la seguridad de nuestros alumnos. Esperamos que el eclipse sea un recuerdo seguro y especial para su familia.

Que Dios te bendiga,

BUDDY BENCH

What is a Buddy Bench?

The school playground can be a lonely place for a child if they haven't got anyone to play with. But a special type of bench is helping pupils make friends and get people talking about bigger issues too.

The idea is simple – if a child feels lonely, they can go to the bench as a signal that they need someone to play with. Another child will see them, go and talk to them and include them in their games.

Apart from reducing social isolation and improving mental wellbeing, the hope is that the benches can tackle another problem found, to some degree, in most schools: bullying.

BANCO DE AMIGOS

¿Qué es un banco de amigos?

El patio de la escuela puede ser un lugar solitario para un niño si no tiene con quién jugar. Pero un tipo especial de banco ayuda a los alumnos a hacer amigos y a hacer que la gente también hable sobre temas más importantes.

La idea es simple: si un niño se siente solo, puede ir al banco como señal de que necesita alguien con quien jugar. Otro niño los verá, irá a hablar con ellos y los incluirá en sus juegos.

Además de reducir el aislamiento social y mejorar el bienestar mental, la esperanza es que los bancos puedan abordar otro problema que se encuentra, hasta cierto punto, en la mayoría de las escuelas: el acoso escolar.

Fase 1:

Bancos de amigos

Fase 2:
