NOTICIAS ESCOLARES

You're Invited!

With the end of the school year approaching, we have many upcoming events! St Teresa's music department would like to invite you to the annual talent show. This year, the talent show will take place **Thursday, April 25th, at 7:30 pm** directly following the scheduled PTG meeting. Students in grades 4-8 have auditioned and are ready to showcase what they are capable of! There will be bonus performances from choir club, band club, and liturgy choir, all of which are new music programs that were offered to students this year. You won't want to miss this wide display of talent from our students!

Adventures

IN SUMMER LEARNING

June & July 2024

Imagine Where One
Summer Can Take You

Grades 1-5

Adventures in Summer Learning features a build-your-own camp experience starting with Morning Expeditions each day from 8:30-12:30. Math, reading and challenge by choice make the morning both academic and fun to boost confidence and build skills. Extend the day with Activity Club (1-4 p.m.) or Mini-Camps (1-2 p.m.)! Students can choose more than one, or even attend them all! Interested in improving social skills? Check out the Art of Friendship making offered in July.

Grades 6-8

Choose from sessions in reading, writing, math, social skills, and study skills. Students learn in a fun and caring environment among their peers. Students learn strategies and build skills and confidence!

Grades 9-12

High school math, writing and study skills help reinforce skills while teaching new strategies and improving confidence. Select one or more courses based on your student's needs.

NEW FOR COLLEGE-AGE STUDENTS!

College Study Skills is designed for students entering or already enrolled in college. Improve study habits to promote a healthy balance between social and academic life. Topics address time management, study strategies, note-taking, motivation, procrastination and more.

My daughter enjoyed the intensive double length language class. She really wanted to work for the teacher and, while it is her weakest subject, it was the class she was most interested in.

Why families LOVE our programs:

- Carefully chosen curriculum
- Students gain strategies they can use
- Students are cared for socially, emotionally, and academically to foster self-esteem and academic growth.
- The cost of some programs is refundable through ACE Ohio Program! Visit us online to learn more.
