Dear Parent and Guardians,

Attached you will find your child's mee the Teacher Night schedule. The times are listed on the left, and the teachers are listed across the top.

Each block shows which grade and subject a teacher will be presenting at that time. Your child's schedule will be highlighted so you can easily see where to go.

Teachers will be giving short presentations during their scheduled times to explain class expectations, what will be taught this year, and homework requirements.

For parents and guardians of students in grades 1-4, there are three main sessions:

6:00–6:25

7:00–7:25

7:45–8:10

For parents and guardians of students in grades 5-8, you will simply follow the highlighted schedule for your student.

There is a five-minute window between each session to give you time to get from place to place. Please arrive at each session on time, as teachers may have back-to-back sessions and must stay on schedule.

While we worked hard to minimize conflicts for families with multiple students, some scheduling overlaps may still occur. To help with this, "Stop In" times are built into the evening. During these times, you are welcome to visit classrooms to ask questions or gather any information you need for that teacher and subject.

If you are a parent of an 8th grader, please plan to attend the **Mandatory 8th Grade Parent Meeting from 7:30–8:10 p.m.**

We are looking forward to seeing you on Thursday night starting at 6:00.

Your partnership makes a difference! We hope you find the evening informative and helpful as we begin a successful year together.

If you have any questions, feel free to reach out to me.

Thank you!

Michelle Stevens

Dear Parents and Guardians,

In light of the heartbreaking shooting that took place this week in Minneapolis, I want to take a moment to reassure you of our continued commitment to the safety and well-being of every student at St. Teresa. As principal, there is no greater responsibility I hold than ensuring our children can learn, grow, and thrive in a secure environment.

Along with the safety measures in place around our campus, our school has a comprehensive safety plan in place to address a wide range of potential situations that could occur during the school day. We work closely with our resource officers and conduct regular safety drills so that students know how to respond in different emergency scenarios. These drills are designed to prepare them not only for school safety but also to give them confidence in making safe choices outside of school.

Our faculty and staff are thoroughly trained in safety procedures and remain vigilant in their daily responsibilities. In addition, our dedicated safety team actively participates in workshops, conferences, and ongoing training to ensure that we are implementing and following the very best practices in school safety.

We know that hearing about incidents like the one in Minneapolis and in our own community can be unsettling. Please know that we are unwavering in our efforts to create a safe, nurturing, and faith-filled learning environment for your children.

Thank you for your trust and partnership as we work together to keep our school community safe. If you ever have a concern or question, I encourage you to reach out to me directly.

With prayers for peace and safety,

Estimados padres y tutores,

A la luz del desgarrador tiroteo que tuvo lugar esta semana en Minneapolis, quiero tomar un momento para asegurarles de nuestro compromiso continuo con la seguridad y el bienestar de todos los estudiantes en Santa Teresa. Como director, no hay mayor responsabilidad que la de garantizar que nuestros hijos puedan aprender, crecer y prosperar en un entorno seguro.

Además de las medidas de seguridad en nuestro campus, nuestra escuela tiene un plan de seguridad integral para hacer frente a una amplia gama de posibles situaciones que podrían ocurrir durante la jornada escolar. Trabajamos en estrecha colaboración con nuestros agentes de recursos y realizamos simulacros de seguridad con regularidad para que los alumnos sepan cómo responder en diferentes situaciones de emergencia. Estos simulacros están diseñados para prepararles no sólo para la seguridad escolar, sino también para darles confianza a la hora de tomar decisiones seguras fuera de la escuela.

El profesorado y el personal reciben una formación exhaustiva sobre los procedimientos de seguridad y se mantienen alerta en sus responsabilidades diarias. Además, nuestro equipo de seguridad participa activamente en talleres, conferencias y cursos de formación continua para garantizar que aplicamos y seguimos las mejores prácticas en materia de seguridad escolar.

Sabemos que oír hablar de incidentes como el ocurrido en Minneapolis y en nuestra propia comunidad puede ser inquietante. Por favor, sepan que estamos firmes en nuestros esfuerzos por crear un ambiente de aprendizaje seguro, enriquecedor y lleno de fe para sus hijos.

Gracias por su confianza y colaboración mientras trabajamos juntos para mantener nuestra comunidad escolar segura. Si alguna vez tienen alguna duda o pregunta, les animo a que se pongan en contacto conmigo directamente.

Con oraciones por la paz y la seguridad,

Jennifer Ostertag

November 22nd High School Placement Test (HSPT) – Preparation Opportunity

Learn more and sign-up – www.RedwoodPrep.com

Jim Telles and I have been partners in instruction for over 25 years at St. Xavier High School and will be **offering an HSPT preparation course** for interested 7th and 8th grade students (boys and girls) **at St. Xavier High School on Saturday, October 11th and October 18th**. The actual HSPT exam will be held on Saturday, November 22nd ensuring the concepts and preparation learned in the course stay fresh for exam day.

This is an 8 hour preparatory course for the HSPT. The first 4 hours of instruction are offered on October 11th and the second 4 hours on October 18th. Students can register for the 8:00 AM – 12:00 PM or 12:30 PM – 4:30 PM session. The time slot that the student chooses to attend on October 11th is also the same time slot he or she will attend on October 18th. If inclement weather forces the cancellation of either weekend session, students are expected to be available on Saturday, October 25th for a makeup session.

Jim and I pioneered the study strategy course at St. Xavier High for incoming freshmen that welcomes over 300 kids over the summer. We enjoy teaching these programs and hearing about the great results our participants achieve. We work with *Redwood Prep*, a group of educators with a nationwide HSPT preparation curriculum and program, to offer an HSPT preparation program here at St. Xavier High.

Students often go into the HSPT exam lacking formal preparation leading to poorer results and more stress. Our two day program comprehensively prepares students and addresses all the key topics in each of the exam's 5 major areas: Verbal Skills, Mathematics, Reading, Language and Quantitative Skills. We also teach students key test-taking strategies applicable to the HSPT and – just as importantly – future standardized exams as well (e.g., time management, answer choice elimination). By program's end, students will know how to tackle every type of problem on the HSPT and know how to navigate standardized exams more effectively and efficiently.

To learn more and sign-up, visit www.RedwoodPrep.com.

We look forward to working with you and wish you all the best with your high school admissions process,
