SUBJECT: School Health Policy

Dear Parent(s) / Guardian(s),

Welcome to the 2025-2026 school year! As we approach the end of summer and are heading into fall and those colder months, I wanted to reach out and remind everyone of the school health policies that we have in place in order to keep everyone safe and healthy throughout the school year. Please see the following below for health concerns your child/children may have throughout the year that would require them to stay home from school and what has to happen in order for them to be able to return.

- Fever: Has to be fever free for 24 hours **WITHOUT** the use of fever reducing medications and has to be able to participate in normal daily activities.
- Vomiting: Has to be 24 hours from last time vomited and is able to handle a normal diet.
- Diarrhea: Has to be 24 hours since the last time they had diarrhea and is able to handle a normal diet.
- Strep: Has to be on an effective antibiotic for 24 hours and symptoms have to be improving.
- COVID-19: Has to be fever free for 24 hours **WITHOUT** the use of fever reducing medication, has to have improving symptoms, and has to be able to participate in normal daily activities.
- Flu: Has to be fever free for 24 hours **WITHOUT** the use of fever reducing medication, has to have improving symptoms, has to be able to handle a normal diet and has to be able to participate in normal daily activities.

If everyone follows these policies, we can all work together to keep everyone safe and healthy during this school year. As always, if you have any questions or concerns please feel free to reach out to me by email at mineer_k@stteresa.net or by calling (513) 471-4530 ext. 126. #ADVENTURE ON!

Adventure Starts Here.

Join Troop 302 in Price Hill and discover what it means to be a Scout. Learn to build fires, cook anywhere, survive in the wild, save lives, conquer the water, and safely handle firearms—all while growing into a confident leader. Scouts BSA (ages 11–17) offers unforgettable experiences and lifelong friendships. **Each month, Scouts plan their own camping trips or exciting activities**, giving them ownership of their adventure and leadership development.

For younger adventurers, Cub Scouts (ages 5–10) dive into hands-on fun with programs like the Pinewood Derby, Rocket Launching, Rain Gutter Regatta, BB shooting, and Archery. It's the perfect way to spark curiosity and build skills from the very beginning.

Troop 302's Scout Committee is collecting interest in the programs. Please complete this form to learn more and we will contact you. <https://tinyurl.com/PHscouts>

**November 22nd High School Placement Test (HSPT) – Preparation
Opportunity**

Learn more and sign-up – www.RedwoodPrep.com

Jim Telles and I have been partners in instruction for over 25 years at St. Xavier High School and will be **offering an HSPT preparation course** for interested 7th and 8th grade students (boys and girls) **at St. Xavier High School on Saturday, October 11th and October 18th**. The actual HSPT exam will be held on Saturday, November 22nd ensuring the concepts and preparation learned in the course stay fresh for exam day.

This is an 8 hour preparatory course for the HSPT. The first 4 hours of instruction are offered on October 11th and the second 4 hours on October 18th. Students can register for the 8:00 AM – 12:00 PM or 12:30 PM – 4:30 PM session. The time slot that the student chooses to attend on October 11th is also the same time slot he or she will attend on October 18th. If inclement weather forces the cancellation of either weekend session, students are expected to be available on Saturday, October 25th for a makeup session.

Jim and I pioneered the study strategy course at St. Xavier High for incoming freshmen that welcomes over 300 kids over the summer. We enjoy teaching these programs and hearing about the great results our participants achieve. We work with *Redwood Prep*, a group of educators with a nationwide HSPT preparation curriculum and program, to offer an HSPT preparation program here at St. Xavier High.

Students often go into the HSPT exam lacking formal preparation leading to poorer results and more stress. Our two day program comprehensively prepares students and addresses all the key topics in each of the exam's 5 major areas: Verbal Skills, Mathematics, Reading, Language and Quantitative Skills. We also teach students key test-taking strategies applicable to the HSPT and – just as importantly – future standardized exams as well (e.g., time management, answer choice elimination). By program's end, students will know how to tackle every type of problem on the HSPT and know how to navigate standardized exams more effectively and efficiently.

To learn more and sign-up, visit www.RedwoodPrep.com.

We look forward to working with you and wish you all the best with your high school admissions process,
