November 22nd High School Placement Test (HSPT) – Preparation Opportunity

Learn more and sign-up – www.RedwoodPrep.com

Jim Telles and I have been partners in instruction for over 25 years at St. Xavier High School and will be **offering an HSPT preparation course** for interested 7th and 8th grade students (boys and girls) **at St. Xavier High School on Saturday, October 11th and October 18th**. The actual HSPT exam will be held on Saturday, November 22nd ensuring the concepts and preparation learned in the course stay fresh for exam day.

This is an 8 hour preparatory course for the HSPT. The first 4 hours of instruction are offered on October 11th and the second 4 hours on October 18th. Students can register for the 8:00 AM – 12:00 PM or 12:30 PM – 4:30 PM session. The time slot that the student chooses to attend on October 11th is also the same time slot he or she will attend on October 18th. If inclement weather forces the cancellation of either weekend session, students are expected to be available on Saturday, October 25th for a makeup session.

Jim and I pioneered the study strategy course at St. Xavier High for incoming freshmen that welcomes over 300 kids over the summer. We enjoy teaching these programs and hearing about the great results our participants achieve. We work with *Redwood Prep*, a group of educators with a nationwide HSPT preparation curriculum and program, to offer an HSPT preparation program here at St. Xavier High.

Students often go into the HSPT exam lacking formal preparation leading to poorer results and more stress. Our two day program comprehensively prepares students and addresses all the key topics in each of the exam's 5 major areas: Verbal Skills, Mathematics, Reading, Language and Quantitative Skills. We also teach students key test-taking strategies applicable to the HSPT and – just as importantly – future standardized exams as well (e.g., time management, answer choice elimination). By program's end, students will know how to tackle every type of problem on the HSPT and know how to navigate standardized exams more effectively and efficiently.

To learn more and sign-up, visit www.RedwoodPrep.com.

We look forward to working with you and wish you all the best with your high school admissions process,
