SCHOOL NEWS

Lenten Meditation

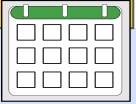

This month's Faith Friday meditation is about relationships. In the season of Lent we focus on the practices of prayer, fasting, and almsgiving. We think about the things we are going to do differently in hopes of changing our hearts. However, we sometimes forget that these Lenten practices actually impact our relationships with others. It should impact you, and, of course, God, but it also affects others. How do you think others will be impacted as you fulfill your Lenten Promises?

Think about the promise you wrote on your cross. We asked that you think of a Lenten Promise that could be lived out here at school. Take a moment to think about how that promise will impact your relationship with yourself, your fellow students, your teachers and staff, and your family. For example, if your promise was to get to school on time, you have given yourself the gift of starting the day relaxed and ready for class. Your parents may be less stressed heading to work. You will have lightened the load of Mrs. Stevens or others in the office, and your teachers. You've given the other students an uninterrupted class. That one fulfilled promise is affecting so many people. It is making our school a better place to learn and grow. How is your promise impacting others?

Please pray with me: Lord Jesus, guide me through this season of Lent. Inspire me to see the work **You** do through my Lenten Promise. Help me to persevere and make an impact on others. Thank you for your love and forever presence in my life.

Amen

BRUIN NOTICIASCARTA

Colegio Santa Teresa de Ávila - 26 de Febrero 2025

NOTICIAS de la ESCUELA

Meditación cuaresmal La meditación del Viernes de la Fe de este mes trata sobre las relaciones. En la temporada de Cuaresma nos centramos en las prácticas de la oración, el ayuno y la limosna. Pensamos en las cosas que vamos a hacer de manera diferente con la esperanza de cambiar nuestros corazones. Sin embargo, a veces olvidamos que estas prácticas cuaresmales realmente afectan nuestras relaciones con los demás. Deberían afectarte a ti y, por supuesto, a Dios, pero también afectan a los demás. ¿Cómo crees que se verán afectados los demás cuando cumplas tus promesas de Cuaresma? Piensa en la promesa que escribiste en tu cruz. Te pedimos que pienses en una promesa de Cuaresma que pudieras cumplir aquí en la escuela. Tómate un momento para pensar en cómo esa promesa afectará tu relación contigo mismo, con tus compañeros, con tus profesores y el personal, y con tu familia. Por ejemplo, si tu promesa era llegar a la escuela a tiempo, te has regalado la oportunidad de empezar el día relajado y listo para la clase. Tus padres estarán menos estresados al ir al trabajo. Habrás aligerado la carga de la Sra. Stevens o de otras personas de la oficina, así como la de tus profesores. Has proporcionado a los demás alumnos una clase sin interrupciones. Esa promesa cumplida está afectando a mucha gente. Está haciendo de nuestra escuela un lugar mejor para aprender y crecer. ¿Cómo está afectando tu promesa a los demás? Por favor, recen conmigo: Señor Jesús, guíame durante esta Cuaresma. Inspírame para ver la obra que Tú realizas a través de mi promesa cuaresmal. Ayúdame a perseverar y a influir positivamente en los demás. Gracias por tu amor y por estar siempre presente en mi vida. Amén
